Total Points

If category averages, what is the breakdown:

[Click here to enter text.](#)

Late homework policy:

Accept late with up to 50% penalty per day

Standard test format:

Short answer, some multiple choice

Frequency of tests/formal assessments:

3-4 per MP

On average, a student will have written homework 3 times per week

On average, a student should spend 45 minutes per night preparing for class.

General availability for assistance outside of class:

Before School

Keys to success in my class:

Read, take notes, work through book and lecture examples

Additional notes:

The student should realize that this is a difficult class, even if math has come easy up to this point. The student should be prepared to work hard.
