

## TODAY'S GUEST SPEAKER

In celebration of Black History Month, we welcomed Mr. Bennie Fowler to our campus this morning to speak to the boys. Mr. Fowler has proven himself in the community, and in his numerous years of experience in the Automotive Industry.

As former Group Vice President at Ford Motor Company, Mr. Fowler brings to our students over 40 years of global business experience with a solid record of success and leadership. His vision along with using a systems approach to improving workforce capability, agility and capacity to improve market quality and financial performance was critical in the success of Ford Motor Company over the years.

Currently Mr. Fowler is President & CEO of Bennie Fowler, LLC a consulting firm which provides critical review, strategic planning and technical support to other companies. He is also a Board Member with the Celanese Corporation and Baldrige Performance Excellence NIST (National Institute of Standards and Technology).
