Dear Angels of Christian Love,

On behalf of the Sisters of Christian Love, I would like to thank you tremendously for your huge donations of food, diapers, etc. from your food drive in support of this ministry.

As you may know, many needy families in our community go without proper food, shelter, and even the basic necessities every day. With the generous support of people like you, we will be able to make a difference in the lives of many. By donating you are not just helping our organization take care of the needs of these families; you are giving back to the community as a whole.

Thank you again for your generosity in supporting our efforts to provide to the less fortunate and we look forward to your continued support. Jesus is smiling on you as you serve the least of his brethren. Just as our parents have given us life; let us be life to one another. May this gift return to you in abundant blessings. We continue to pray daily for you and your intentions.

Sincerely in the Lord,

*Sister Judie Ann*
