Parent Portion:

This is the pilot year for the OLSM Internship Program. We are excited to send our young men into the work place to represent Orchard Lake St. Mary's. We are giving your son the opportunity to learn the following things with this work-based learning experience.

- How to communicate effectively
- How to work with other employees
- How to take direction
- How a place of business is run
- How to be self-directed
- Responsibility and time management
- Is this type of work what they thought it was?
- Is there an opportunity for employment here?
- Students will create business contacts and possible references for future endeavors.
- The importance of furthering their education
- What degrees are required for the type of work they are interested in
- Different career paths
- They will be connecting with our community in a unique way!

The program will take place in the afternoons on the following dates.
