October 1, 2008

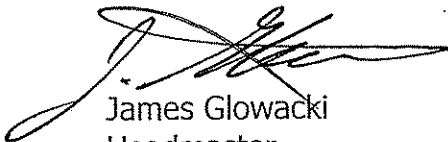

Dear Parents and Students of St. Mary's Preparatory;

Each year the families of St. Mary's provide volunteer hours that generate financial support. This support assists in tuition abatement and provides funds for progressive projects that would otherwise be prohibited given our operating budget. In recent years the Mom's and Dad's Club has contributed to the Adam Cardinal Maida Library and the St. Mary's Athletic Complex expansions, as well as building and campus beautification projects.

As is customary each year, every family must complete and return the enclosed Parent Involvement/Student Involvement agreement by **October 31st**.

There are no changes to this year's commitment of 40 Parent Involvement hours and 10 Student Involvement hours. Of the 40 Parent Involvement hours, 15 hours must be dedicated to the Polish Country Fair and 10 hours toward the St. Mary's Auction. The remaining 15 hours may be completed by various volunteer opportunities throughout the year. Also, the mandatory raffle ticket fee of \$225.00 is unchanged.

I have always said that it is the unselfish commitment of the Families of St. Mary's Preparatory that sets us apart from all the other learning institutions. Your efforts and contributions are apparent in every corner of the campus, in Student life in general. As always, I express to you my deepest appreciation.

James Glowacki
Headmaster
