Dear George,

Congratulations St. Mary's Prep has been selected as Catholic High School League 2017 **School of the Year**.

At our Hall of Fame Banquet, this year on Monday, June 12, 2017, we will present an award to the school that has displayed the Catholic League motto: "More Than Good Sports...Good People".

This Award is presented in honor of the late Jim Leary, long time coach and Athletic Director at the University of Detroit Jesuit High School.

The Catholic League is proud to announce that the parents, administration, faculty, coaches, athletes and student body have made it possible for St. Mary's Prep to be the 2017 recipient of this award.

The Catholic League recognizes the wonderful school that St. Mary's has become in many areas of education. Your school's reputation and tradition both as an excellent educational institution and as a place for good school sports qualify your school for this recognition.

Congratulations to the St. Mary's Family!

Sincerely,

Vic Michaels  
Director  
Catholic High School League
